

## Exam Dates - Master of Science in Manufacturing Technology - Winter Semester 2022/23

Please note that not all exams are scheduled centrally. If an exam does not appear on the notice board, it will be scheduled directly by the chair that will announce the date accordingly.

### Compulsory courses

Course	Date	Time	Room
Forming Technology I	16.03.2023	10:00 - 11:30	MB HS1
Machining Technology I	17.02.2023	15:30 - 17:00	MB HS1
Plastics Processing Technology	06.02.2023	11:00 - 12:00	MB HS1
Materials Technology II	30.03.2023	12:00 - 14:00	MB HS1

### Elective Courses

Course	Date	Time	Room
Machining Process Simulation	06.03.2023	08:00 - 10:00	ME29
Measurement Engineering	10.03.2023	11:00 - 13:00	MB HS1
Fundamentals of Robotics	28.02.2023	11:30 - 12:30	HG II HS3,7
Basics of Materials and Technology	17.03.2023	09:00 - 11:00	CTZE HS15
Automation and Handling Systems	24.03.2023	16:00 - 17:00	UB E5
Additive Manufacturing	01.03.2023	13:00 - 15:00	MB III 3.016

For information regarding the rooms, please check with the relevant Institution.
